## Message From The Shop - January 2012

Happy New Year! I hope that everyone had a great holiday season and are ready to move into 2012. It's hard to believe that we are already in a new year and it's time to set goals and move forward.

First, thank you to all our loyal, dedicated customers! We had a very good

year at Oren's Auto Body in 2011. We truly appreciate all of the support we get from the local communities. Your referrals of family members and friends is so valuable and the biggest compliment you can give our staff and shop.

We always strive to bring you the best in quality repairs and the highest in customer satisfaction. To do that requires special attention to so many aspects of our business. We work hard to keep our employee training current, have up-to-date equipment, top of the line parts and supplies and astounding service.

However, if you see or hear of an area our shop needs to focus on, give me a call or stop by. Our customers' input and satisfaction is an important key in our business and we value your opinions, observations and suggestions.

So far, "old man winter" has been easy on all of us this season. But, my guess is that this mild weather will soon change. Remember, when that first good snow does come, slow down and take your time getting to where you need to go.

As always, drive safely!

## Cell Phones on the Road

These days you see more cell phones than ever and many of them will be on the ears of people behind the wheel of a vehicle. Some of these phones and their owners will wind up in car crashes. Hopefully, no one will be hurt. Many of us are guilty using our phones while driving because they have become

such a convenience in our everyday lives. Of course, the best scenario would be not to use your cell phone while driving. However, when it is

necessary, consider using the hands free device by using speaker phone or using the ear piece that allows your hands to be free and on the wheel.

Always be mindful of what's going on around you while driving. Be a defensive driver to help avoid accidents.

## A New Dance in 2012...The SNOW Dance?

There are many living in the Midwest that seem excited about this mild, snowless winter we are experiencing. However, if you enjoy the outdoors during the winter for snowmobiling, skiing, ice skating or own a business that depends on winter weather, it might not be so swell.

Instead of the "rain dance", does anyone know the "snow dance"? Surely, many outdoor winter lovers and all the business owners that are

praying for snow and ice would jump in!

Our theory is "old man winter" cannot stay away forever and soon we will be hit with snow and ice and businesses will be busy and outdoor activities will be enjoyed once again.

Once that salt and sand hits the road, be sure to keep your vehicle clean. Get your car washed and add hot wax for a protective coat during

these harsh months. Oren's Car Wash is open Monday thru Saturday, 8 a.m. to 5 p.m. (weather permitting). Check the back page of this newsletter or

your Piggly Wiggly (Edgerton) receipts for coupons and enjoy a clean car this winter.

## GO PACKERS GO!

It has been a great season of football if you're a Green Bay Packer fan. Of course, we are hoping that our favorite team goes all the way and wins the Super Bowl again this year. To get in the "Packer Spirit", a little history and trivia for your brain.

On August 11, 1919, a small group of husky young athletes, called together by Curly Lambeau and George Calhoun, gathered in a dingy editorial room of the Green Bay Press-Gazette building with the hopes of organizing a football team. That is the beginning of the Green Bay Packers legendary story.

- 1) The Packers started organizing in 1919. What year did they actually join the NFL?
- 2) What is the name of the Green Bay celebration after a touchdown?
- 3) The Packers are owned by who?
- 4) Packers former QB Bart Starr beat the Cowboys with a one yard scramble with seconds re-

maining in what memorable game?

- 5) Why are they called the Packers?
- 6) The Packers play what team for the longest running rivalry in the NFL?
- 7) The Packers played what team in Super Bowl I? Did they win?
- 8) Who was the first free agent Green Bay ever signed?
- 9) Who is Green Bay's all time leading receiver with over 10,000 yards?
- 10) In 2008 Brett Favre announced his retirement opening the door for an amazing young athlete. Who is this star?

Answers:

- 1) 1921.
- 2) Lambeau Leap.
- 3) Stockholders, maybe you're one!?
- 4) Ice Bowl.
- 5) Most of the players from the first team worked at a local meat packaging plant.
- 6) Chicago Bears. The two teams have played 165 times and have been going at it since 1921!
- 7) They played the Chiefs and won 35 to 21.
- 8) Reggie White.
- 9) Donald Driver.
- 10) QB Aaron Rogers.

Let's hope that by the next newsletter, we have celebrated a Super Bowl victory. GO PACKERS GO!

## Meet the Staff -- Tyler Oren

Meet Tyler Oren. Tyler is the son of Brett and Stephanie Oren. He is the oldest of three children. He shares the attention at home with a younger brother, Cullen and sister, Ashlyn.

He came to "Uncle Shane" about two years ago and said he wanted to learn how to wash cars. So, the following Saturday morning at 8 a.m. guess what Tyler was doing? It was a cold, but sunny, December day.

When the clock struck 5 p.m. Tyler may have been thinking, "what did I get myself into?" But, like most teenagers, gas in the car and going out to eat with friends doesn't come for free.

Tyler was born with a sports ball in his hand. Since his freshman year he has been a three sport athlete at Edgerton High School playing football, basketball and baseball. He enjoys playing and watching sports of all levels. Tyler will tell you that his favorite sport is baseball. Last summer he was asked to play for the Wisconsin All Stars Team. He and his family were busy traveling around the United States playing and watching ball. In addition to all the sports he plays, he knows that his academics are very important too. He has

managed a job, sports and a GPA of 3.98. WAY TO GO, TYLER!

When Tyler gets a little free time in his schedule, he enjoys most "chilling" with friends and going to Jimmy John's where he will indulge in a great tasting sub.

Tyler is a senior at Edgerton High School and will graduate in June. His plans after graduation are to attend a four year university with the hopes of playing baseball.

We are going to miss Tyler and his great, friendly smile in the car wash when he heads off to college next fall. We wish him the best and hope all his dreams are fulfilled.

## A Favorite Recipe - Chicken Parmesan

This recipe was shared with our family by a close friend a few years ago and has become an all time favorite. We have served it for basketball team dinners (about 15 kids) and everyone loved it. So, any time you can please a crowd of teenagers without fast food, it must be a thumbs up recipe! Enjoy!

4 chicken breasts pounded to 1/4 inch thick. If large chicken breasts, cut in half.

Dredge the chicken in beaten egg. On wax paper create a mixture of flour and Italian bread crumbs. Roll the chicken breasts in this mixture. Brown the chicken breasts in pan with olive oil and remove from pan.

Optional: Brown mushrooms in olive oil in pan and add to sauce mixture.

Sauce: In the same pan, mix together the following ingredients and bring to bubbly boil.

- 1 can tomato paste
- 2 - 3 cans Italian stewed tomatoes
- Add Italian seasonings, including

basil and marjoram to taste. Add a dash of black pepper, sea salt and red pepper. Stir in about 1/4 cup white cooking wine and simmer a few minutes.

Put 1/2 of sauce in 9 x 13 baking pan. Layer chicken on sauce and top with the rest of the sauce. Bake in 350 degree oven for 1 hour. Top each chicken piece with slice of mozzarella cheese and bake a few more minutes until cheese is melted. Serve over cooked pasta if desired.

PLEASE email any recipes you think others may enjoy to [orensauto-body@charter.net](mailto:orensauto-body@charter.net). It can be salads, desserts, main courses, anything. We may use it in a future newsletter!
